Photojournalism And Foreign Policy Icons

David Perlmutter examines concerns over the interplay of pictures in the press, elite decision-making and public opinion on foreign policy. His focus is on certain celebrated, indelible images that, it is said, sum up famous events, provoke moral outrage, mobilize public opinion, and spur government action: the icons of outrage.

Ten Foreign Policy Fiascos Biden Can Fix on Day One ...

(Code Pink) - Donald Trump loves executive orders as a tool of dictatorial power, avoiding the need to work through Congress. But that works both ways, making it relatively easy for President Biden to reverse many of Trump's most disastrous decisions. Here are ten things Biden can do as soon as he takes office. Each one can set the stage for broader progressive foreign policy initiatives ...
