Unlike a last will and testament or trust, which can be challenged or contested, California's intestate succession laws cannot. That being said, if you have a claim against an estate separate and apart from what you may receive under the California inheritance laws, you may pursue that to try and recover your claim in addition to what you might receive under the intestate succession laws.

The Guide to Intestate Succession in California | RMO

Basically, there are three types of trusts: (a) the revocable living trust; (b) the irrevocable trust and (c) the testamentary trust. The Revocable Living Trust. Generally, in a revocable living trust, an owner ("grantor") transfers property to himself as trustee to be managed for his own benefit (beneficiary).
