Simply Strategic  
Volunteers was, and  
will continue to be, an  
excellent tool for me as  
I make decisions about  
programs and people  
and where the  
priorities of each are in  
the body of the  
ministry. This is one of  
those books every  
ministry or nonprofit  
leader should read  
through each year as a  
refresher course.
