Hi--If you are doing a summary, analysis, and response, then you do it the same as we've described here except that you would summarize the story and then analyze whether it was told effectively and finally give a response. If you are actually talking about writing a narrative paper about something that happened to you, you need to see my ...

How to Write a Summary, Analysis, and Response Essay Paper ...

A reader asks about the differences between summary, review, and overview. Editor Kory Stamper explains. These three words are often used interchangeably, but they have slightly different connotations. Summary is the broadest of the three. It refers to a short restatement of the main points of an argument, paper, lecture, etc. and especially a restatement used for better understanding, easier remembering, or showing how points relate to each other.
