### The Courts Of Genocide Politics

Considering both the ICTR (International Criminal tribunal for Rwanda), and all of the politics surrounding its work, and the Rwandan approach (the Gacaca courts and the national judiciary) and the politics that surround it, The Courts of Genocide addresses the relationship between these three 'courts' which, whilst oriented by similar concerns, stand in stark opposition to each other. In this respect, the book addresses a series of questions, including: What aspects of the Rwandan genocide ...

The Politics of Genocide 06/22/2010 01:56 pm ET Updated May 25, 2011 In their new book, The Politics of Genocide , published by Monthly Review Press, Edward Herman and David Peterson document the double standard used by the U.S. government, mass media and intellectual community in labeling, or refusing to label, particular events as "genocide."

### The Politics of Genocide | HuffPost

In this impressive book, Edward S. Herman and David Peterson examine the uses and abuses of the word genocide. They argue persuasively that the label is highly politicized and that in the United States it is used by the government, journalists, and academics to brand as evil those nations and political movements that in one way or another interfere with the imperial interest.
