Nature Doctor : A Manual of Traditional and Complementary ...

Doctor Vogel's Book "The Nature Doctor" is full of down to earth common sense guides to healthy living. Being a believer of the natural medicating strength of the human body and the need for less harmful remedies myself, I am heartened to see such an informative and realistic book. Dr. Vogel writes with such zest and knowledge that it is hard to put the book down.

The Nature Doctor: A Manual of... book by Alfred Vogel

'The Nature Doctor' has become a recognized publication even amongst medical doctors and scientists. This book is a blend of Herbal, and Homeopathic Techniques. I have found it to be an excellent book for the beginner-there is a lot of common sense in this book, which often seems to be lacking somewhat in this area.
